

Free advertising in the council's Leeds

Homes magazine and website

Do you want to find suitable tenants to move in your property?

Leeds Rental Standard (LRS) is working in partnership with **Leeds Homes** to help provide access to accommodation for people in the Leeds area.

Leeds Homes advertise both Council housing and Housing Association properties for rent to people on the local housing register.

- LRS accredited landlords have exclusive access to advertise their private rental properties on the [Leeds Homes](#) website and magazine.
- If you have several properties available for rent at one time these can be combined into a single quarter page advert.

To advertise please email the details of your properties using the form below and a photograph (if possible) to the Leeds Rental Standard.

The property will be advertised for 6 days in the Leeds Homes magazine and the Leeds Home website. Prospective tenants will arrange to view the property through the telephone number that you have placed in the advert.
