

Business Permit for Parking for Leeds Rental Standard (LRS) Members

The permits allow parking in residents parking zones only and are intended to allow landlords who need regular access to the zone to park without risking a parking ticket. Please contact Leeds City Council Parking Services (Tel 0113 378 5000) or email parkingservices@leeds.gov.uk for an application form.

In completing the application form you will be required to state your LRS membership number. Parking Services will then check with the scheme organisers before issuing the permit. To avoid a parking ticket please do not park in a Residents Parking Zone until you have received your Business Parking Permit.

This is how the Parking Scheme operates:-

- There are 3 price bands for an annual permit – inner, (Belle Vue, Marlboroughs etc), outer - (Chapel Allerton, Headingley) & districts, other - (Horsforth, Wetherby). The permit is valid for one year from the date of issue
- If you have properties throughout the city then you only need to buy 1 permit
- The permit is transferable between vehicles
- You can apply for more than one permit
- The permit will only be issued for the particular zone or zones where the landlord owns/manages property. Ownership / management status will need to be approved at the time of application.
- A code of practice has been established - if misused (eg for commuting) the permit will be cancelled. The Code includes the above terms & conditions.

Should you have any queries please contact Parking Services on the above details.
