Weighbridge £11

\*\*These incur a Hazardous Waste Note Administration Fee of £22.00 per load

### Wastes NOT accepted: gas bottles, syringes, vehicle tyres, asbestos, chemicals of any sort

An administration fee of £25 will be charged for any weighbridge transaction which results in an invoice being raised e.g. if customer does not have enough money to pay they will be invoiced for the short payment plus £25 admin fee.

**Loads delivered above 200kg will be charged per kg to the nearest 20kg using a weighbridge that weighs in 20kg divisions. Each load (apart from scrap metal) will incur a handling fee of £22.00 which is included in the price listed above.**
